Welcoming Our Newest Doctor

Dr. Massey was born in Burnside, KY, and graduated from Centre College with a BS in Chemistry. She received her degree from University of Louisville College of Medicine in 1995. She completed her residency training program in pediatrics at University of Arkansas for Medical Sciences in 1998. She is board certified in pediatrics and is a fellow of the American Academy of Pediatrics.

After completing her residency, Dr. Massey worked at Little Rock Pediatric Clinic for two years. This was while her husband finished his residency in ENT. She returned to Louisville in 2000 and worked with a pediatric practice in Okolona for four years.

Dr. Massey is thrilled to be at Prospect Pediatrics with two of her medical school classmates, Dr. Hynes and Dr. Biddle.

She and her husband are the proud parents of a ten month old baby girl, Eleanor.

Quality Pediatric Care Is Closer Than You Think!

9217 US Hwy. 42: From I-71, Hwy 22 or Westport Rd. Take I-265 North, turn Right on US Highway 42 and travel 1/2 mile to Prospect
