

## Romans

Nothing can separate you from the love of God through Christ Jesus. Not the skeletons in your closet, the secret sins you keep hidden, or the mountain of regret and guilt. It is there in black and white in the book of Romans. Romans changed the lives of some of the most influential men in Christian history. It can change you!

## Revelation

Revelation can be one of the most comforting books of the Bible. You will see glimpses of your glorious future in a new heaven and earth where God will dwell with us and put an end forever to pain, suffering, tears and death. ## Studies

### Ephesians

We are surrounded by substitutes - skim milk, fat free cream cheese, hair extensions and face lifts. You do not have to accept substitutes and live in spiritual poverty when the glorious riches of God the Father are available to you through Jesus. Discover the treasure chest of God's riches for yourself in this study of Ephesians.

### Galatians

Sometimes even those who embrace the gospel of Jesus Christ can have their heads turned by secular philosophies and false teachings. That is why the message of Galatians is so timeless. Galatians proves that the Christian life is one of joy and confident hope.

### Hebrews

Are you looking for something better than the world offers? The book of Hebrews proves that Jesus is superior. Every alternative and substitute is stripped away until only Jesus remains as the One sufficient for your deepest needs.
